Welcome to Belleville! The most aggressively picturesque town in the history of the world populated exclusively with gorgeous townsfolk.

**'It's true to the fairytale,  
but it's got real humour,  
real warmth and an edge!'**

*Andrew Lloyd Webber*

The only person steadfastly refusing to live in the fairy tale is Cinderella, loud-mouthed and dripping with disdain. Her oldest and only friend, Prince Sebastian, has suddenly become heir to the throne. This news provokes an unexpected spark into their relationship. With the Queen suddenly announcing a Royal Wedding all looks lost for the blossoming romance until Cinderella meets the Godmother who can fix anything.

Join us as we visit the Gillian Lynne Theatre for a matinee performance you'll find it hard to forget!

**DOUBLE THE CHOICE...**

We receive many requests for trips to venues, where we would be unlikely to be able to fill a coach. So, for 2022 we are combining a number of days trips in order that we can fulfill some of those requests.

For example, why not join us as we visit the stunning Exbury Gardens world-famous collection of rhododendrons and azalea and steam railway, or maybe you would prefer to visit Beaulieu with its National Motor Museum and exhibitions, Palace House, Abbey and gardens. The choice is yours!

**SILVERSTONE EXPERIENCE**

Until recently, Silverstone had no one to tell its wonderful story. Now, however, the detailed history of the UK's premier circuit can be followed at The Silverstone Experience, a huge interactive museum near the circuit's main entrance.

Discover Silverstone's past including its time as a Command Training base for Wellington bomber pilots during WW2. When racing began in 1948, this venerable structure did at least provide the names of Hangar Straight and Wellington Straight, and still does.

The glorious 70-year racing history of Silverstone is covered from start to finish once you walk down the stairs to the expansive ground floor. With over 60 hands-on exhibits giving visitors the opportunity to try a variety of activities, from

operating a wind tunnel to taking part in a pit stop to climbing into a replica Grand Prix car, you can't fail to be impressed.

Exit from the museum via the most awe-inspiring interactive feature of all, a spectacular theatre experience during which you're enveloped by a huge video wall that curves away to your sides and up over your head. Sit in a notional racing car and circulate, at racing speeds, while great Silverstone moments happen all around you. In one helping, this is a huge slice of Silverstone's August racing history.

BBC Gardeners' World Live is the ultimate day out for all gardeners. A mix of Show Gardens, Beautiful Borders, your favourite Gardeners' World presenters, Floral Marquee, great shopping and live entertainment make for a spectacular day with friends and family.

## Easter in 'MAGICAL MANX'

Described as a 'Jewel in the Irish Sea', the Isle of Man, (IOM) also known simply as Mann, is a magical and enchanting island, full of charm and surprises.

Beautiful scenery in the lush valleys, barren hills and rugged coastlines combined with a wealth of historic castles and buildings. In 2016 Unesco designated the IOM a biosphere reserve (one of only 5 in the UK) marking it as one of the most beautiful spots in Britain to enjoy nature.

During our five day (four night) stay we will take you to Castletown to visit one of the best preserved medieval castles in the world, before visiting Port Erin and heading back to the hotel on board the steam train.

You have a day at leisure in Douglas where you could take a stroll along the prom or maybe a trip on a horse-drawn tram or visit the Manx Museum with its treasure trove of island artefacts and then head out along Marine drive to enjoy the panoramic views.

The following day we head out on the electric railway to visit the laxey Wheel, the biggest surviving waterwheel in the world before heading up to see the breathtaking views on Snaefell's summit.

Our final day is one of leisure or if you prefer you could join us for an optional trip around the island for a lap of the TT course, pay a visit to the Tynwald Exhibition and finally Moore's Kipper Yard for a taste of the famous Manx kippers!

## The ISLE OF WIGHT

Whilst we often run a day trip to the Island, we've had many requests for a longer stay, so for 2022 we are offering a five day (four night) break at the Broadway Park Hotel in Sandown for £385.

During our stay we will be visiting attractions such as Osborne House, Queen Victoria's palatial holiday home, taking a trip on the beautifully preserved award-winning railway Isle of Wight Steam Railway and additionally heading to some of the award winning coves and sandy beaches.

A full itinerary will be available on the web site and in the forthcoming brochure.

## Heading east to Norfolk

As with the Isle of Wight, whilst we run day trips to the Norfolk area, our time is always limited so we have decided to make this a base for one of our holidays for 2022.

We stay at the Best Western Brook Hotel in Norwich for four nights and during our stay, plan to take a trip on the Bure Valley Steam Railway, Norfolk's longest narrow gauge railway, a cruise on the Southern Comfort

Paddle steamer and pay a visit to the Queen's country retreat at Sandringham.

We also head out to Cromer where we'll be sure to sample the world famous crab and then have time at leisure to visit Norwich and Lings Lynn. Full details will be in the forthcoming 2022 brochure.

## BIDEFORD, DEVON £330 PER PERSON

We head to North Devon for a five day (four night) break at the Durrant House Hotel in the historic market town of Bideford, which was once Britain's third largest port.

During our stay we will be visiting some of the neighbouring towns in addition to a number of the seaside resorts such as Lynton and Lynmouth, with its charming old town and Ilfracombe, a pretty seaside town, seafront and small harbour surrounded by dramatic cliffs.

Full details and itinerary will be included within the 2022 main brochure.

## BOOKING TERMS AND CONDITIONS

A deposit of £50 per person is required to secure your place. Deposits paid are non-refundable and non-transferable except where arrangements are cancelled by Mullanys Coaches.

The balance of the holiday cost is due and payable six weeks before the date of departure.

## WE'RE OFF TO THE RACES!

2021 saw us pay a visit to Newmarket to visit the National Horse Racing Museum to learn a little of the background to the event and meet a few of the current participants and this year we give you the chance to come with us to see them perform! So, break open that piggy bank and join us for a morning in the town, a bite of lunch and afternoon at the races!

## PICK UP POINTS

Our pick up points remain unchanged and can be found on our website <http://www.mullanyscoaches.com/pickups.html> They will all be in the main brochure as usual but in the interim, if you are not a regular traveller let the office know and we'll include a list for you.

*We look forward to hearing from you!*

## WINDSOR

### Join us to celebrate

A firm favourite - a day trip to Windsor, which coincides with the Queen's 'official' birthday. Her 'actual' birthday being 21st April, when as the world's longest reigning monarch, she will turn 96.

HAPPY BIRTHDAY MA'AM

## ELY & ST IVES

We visit Ely, England's second smallest city and the home of one of the most important cathedrals in England, which took almost 300 years to complete.

We combine this with a visit to St Ives, a delightful little market town in a picturesque riverside setting in the north Cambridgeshire countryside and most well known for its chapel on the bridge.

# 04 | GREAT DAYS OUT NEWS And finally...

• Edition-01 • December 2021

## ALRESFORD WATERCRESS FESTIVAL

From the town that's mad about watercress!

We'll enjoy the hustle and bustle of Broad Street, the sights and sounds in Station Road, the madness that is shopping in West Street, and screams of delight from the children's area in East Street.

The Watercress Festival organising committee can't wait to be back in the streets of Alresford in May 2022 with a festival fit for the Queen!

## WE'RE OFF TO THE SEASIDE

Bognor, Brighton, Bournemouth, Brighton, Broadstairs, Deal, Clacton, Eastbourne, Great Yarmouth, Hastings, Littlehampton, Lymington Margate, Poole, Ramsgate, Shanklin, Southend, Southwold, Swanage, Weymouth, Worthing, Whitstable.... the list goes on and on.....

## THE CUCKOO FAIR or *Salisbury*

It's time to cavort around the maypole, morris dance and of course, crown the Cuckoo Princess. Or, you can spend the day in the city of Salisbury.

## THE CHRISTMAS MARKETS

We are hoping that 2022 will see all of the traditional and well loved Christmas Markets open for business again and we have plans to visit some new venues, plus some old favourites.

## LONGLEAT SKY SAFARI

Longleat will light up with over 200 balloons from all over the world due to arrive for 'Sky Safari' one of Europe's largest annual hot air balloon events. We'll also be taking the coach on the safari drive through that's wilder, furrer and growlier than you ever dared imagine - deer, wolves, tigers, lions cheetahs, rhinos elephants and zebra!

You will have time to take a stroll in the Rococo style formal gardens and a wander through the yew hedge maze, the largest in Britain. And then maybe enjoy a coffee in the Orangery overlooking romantic Love Labyrinth.

## MORE THEATRE TRIPS

### STARTING WITH THE MOST FAMOUS LOVE STORY OF ALL - REMIXED

What if Juliet's famous ending was really just her beginning? What if she decided to choose her own fate?

Join Juliet on this sensational journey of self-discovery and second chances, told through some of the most glittering pop anthems of the last three decades from legendary songwriter Max Martin, including ...Baby One More Time, Since U Been Gone, Roar, Everybody (Backstreet's Back), Love Me Like You Do and Can't Feel My Face.

& Juliet is the hilariously irreverent new musical that proves when it comes to love, there's always life after Romeo.

Can she reclaim a story that has been written in the stars?

Is there really life after Romeo, or could he be worth one more try?

## Not forgetting TOWN & CITIES

We'll also have a good selection of towns and cities for you to choose from, whether it's for shopping, sightseeing or just a pleasant wander. As with the seaside, there will be many of the old favourites and also some new.

## DONKEY DERBY

We thought we'd head to the races again but with a difference! So put aside a few pennies as it will all be in a good cause. And you'll get to enjoy a good traditional fun day out by the seaside. Full details will be coming in the 2022 brochure.

Canals, a walled kitchen garden and a superb display of snowdrops in February - Why not come along and join us!
